ON
TRENDING TECHNOLOGIES AND RESEARCH TOOLS IN LIBRARY &
INFORMATION SCIENCE**

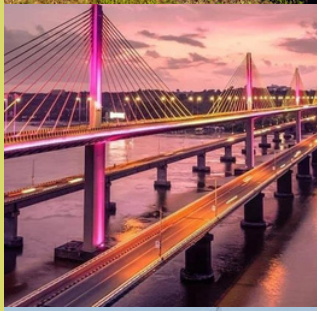

16th & 17th December 2024

Venue: College Campus, Central Block, Hall No 02

About Goa

Goa, a tiny emerald land spread over an area of 3702 sq. kms, is located in the western region of India. It is bounded by Maharashtra to the North, Arabian Sea to the West and Karnataka to the south and the east. Known for its pristine beaches, rich cultural heritage, and a unique blend of tradition and modernity, Goa offers the perfect backdrop for intellectual exchange and collaboration. From the palm-fringed beaches along the Arabian Sea to the lush Western Ghats, Goa's geography is a testament to its natural beauty. The month of December offers mild and pleasant weather, making it an ideal time to explore the outdoor wonders that Goa has to offer.

About College

Established in 1973, Vidya Vikas Mandal's Shree Damodar College of Commerce & Economics – the flagship institution of Vidya Vikas Mandal, is recognized all over Goa as a premier institution of higher education. The College has UGC recognition and is permanently affiliated to Goa University.

Located in the, Shree Damodar Educational Campus, the College is ensconced in a peaceful environment. The College has spacious classrooms, a richly stocked library, well-equipped computer laboratories, a multipurpose hall for indoor games, and a canteen, which the students and staff put to optimum benefit. The College boasts a complement of highly qualified, experienced and dedicated teaching faculty.

About Workshop

The National Workshop aims to equip library professionals, researchers, and academicians with the latest advancements that are shaping the future of Library & Information Science from artificial intelligence and big data analytics to digital curation and open-access platforms, this workshop will explore a wide range of cutting-edge technologies. Participants will gain knowledge and experience with essential tools that can help them manage information more effectively, drive innovative research, and provide enhanced services to their patrons.

Major highlights of the Workshop:

- Research Platforms: Tools to Enhance your Research Effectiveness
- Researcher ID: Manage and Enhance Research visibility
- Literature Search, Reference Management & AI Tools for Research
- Digital Content Development
- Innovative Technologies for Building Future Libraries
- Internet of Things (IOT) and Emerging Technologies in Library Services
- Innovative Resources for Research
- Google & AI tools for Research

Who can Attend?

- Faculty Members
- Research Scholars
- Library & Information Science Students & Professionals
